

CHRISTMAS MESSAGE FROM THE PRESIDENT OF GDDA-UK

Seasons Greetings

On behalf of all the executives of the GDDA-UK, I send season's greetings to you all with your families.

During Christmas, we gather with family and friends to celebrate the birth of our Savior, Jesus Christ. As God's only Son, Jesus came to Earth and gave His life so that we may live. His actions and His words remind us that service to others is central to our lives and that sacrifice and unconditional love must guide us and inspire us to lead lives of compassion, mercy, and justice.

For us in the GDDA-UK, the true spirit of Christmas reflects a dedication to helping those in need, to giving hope to those in despair, and to dedicate ourselves to helping our brothers and sisters in terms of their medical care in Ghana and Africa. As well as spreading peace and understanding throughout the Earth. We should redouble our efforts to help our mother Ghana medically take care of our people by co-operating with the ministry of health deliver such much needed medical services throughout Ghana. We will need your support to do this. Last years project in sending medical personnel to Ghana to volunteer to help medically deliver such services was a great success. We hope that this will continue in 2009 and beyond. As we share love and enjoy the traditions of this holiday, we are also grateful to all GDDA-UK members, the Ghana High Commission, Ministry of health-Ghana, MIDA-Ghana/IOM etc and all well wishers who have continued to support the GDDA-UK during our difficulties and other sad events we faced during this year.

This Christmas, may we give thanks for the blessings God has granted us and in each of our lives. May the joy of the holidays renew our commitment to working together for a future of peace, opportunity, hope and medically help our mother Ghana deliver much needed health services to the poor.

Wishing you all a Merry Christmas and a blessed New Year.

Dr. Anthony Annan
President, GDDA-UK
